## UNTIL MAY 15th THE ARTISTS INTERESTED CAN APPLY TO PARTICIPATE IN THE AiR PROGRAMME IN KRISTIANSAND (NORWAY) BETWEEN OCTOBER 6th AND NOVEMBER 28th IN EKSERSERHUSET.

CreArt and Norwegian partner Kristiansand Kommune launched last month a new call of Artist in Residence that will be held in Kristiansand between 6th October and 28th November. 4 artists from the CreArt network will be invited to work for two months in the Ekserserhuset.

At Kristiansand CreAir 2014 we are inspired by the great leap which the medium textile has made within the art world the last years in Norway. Kristiansand has had several strong personalities within both the textile art and the textile craft tradition. This presence of great traditions has made us aware of the unknown possibilities within the medium of textile, also for the new generation of artists. It need absolutely not be a must, but some curiosity among the CreAir applicants regarding the possibilities within the medium textile will be welcomed greatly.

The Online Application form is available [here](#) and it must be submitted before 15th May.

## INITIATIVE #CreArtcitymuseum

The CreArt Network launches the initiative #CreArtcitymuseum to celebrate jointly a new edition of the International Museum Day and European Night of Museums that this year will take place Saturday 17th and Sunday 18th May. For this initiative, The CreArt cities invite their citizens to take pictures about their favourite corners of the local museums and exhibition halls between 15th and 18th and publish them in their Instagram and Facebook profiles. For Instagram the hashtag #CreArtcitymuseum should be used and in Facebook the participants should mention @CreArt. Network of Cities for Artistic Creation. The photos will have title, and mention the museum, cultural center or exhibition space, and the city. We will make a selection of the best photos and publish them in the CreArt [project website](#)
